CONTRACT APPROVAL

Contract No. A-101

Reference is made to your letter of 24 April 1956, GMCC Doc. No. 151X5.83, advising that it would simplify the record-keeping and preparation of vouchers if fee could be billed against total contract costs incurred, rather than by the individual tasks under the contract.

You are hereby authorized, effective 30 April 1956, to bill fee monthly in one billing for Contract No. A-101, such fee to be based on percentage of work completed or percentage of funds expended, whichever is less.
